### Documentation required to verify illness/disability

\*

### Services available to verify illness/disability

No.

## MENTAL HEALTH/ COUNSELLING SERVICES

### On-campus counselling services in English

Unsure. In most cases the answer is yes, but some services (like psychologists) are not available for exchange students.

### On-campus psychiatric services in English

No.

### Fees for mental health/counselling services

Yes. In general, all health services for students from Canada are organized in the private sector and fees will apply (although all exchange students should have an insurance before arrival).

## ACCESSIBILITY

### Physical accessibility policy

Yes, in BOTH academic buildings and student residences.

### On-campus physical accessibility support (e.g., elevators, ramp, motorized doors etc.)

\*

### Virtual tour of campus

Yes.

[https://www.youtube.com/watch?v=Dd1ZYvFEw\\_w](https://www.youtube.com/watch?v=Dd1ZYvFEw_w)

\*Information not provided. It may be on the school's website.

## ACADEMIC ACCOMMODATIONS

### Academic accommodations available

<https://www.tuni.fi/en/students-guide/handbook/uni/support-studying-and-well-being/accessibility-and-individual-study-arrangements/accessibility-and-individual-study-arrangements-student>

### Types of academic accommodations

<https://www.tuni.fi/en/students-guide/handbook/uni/support-studying-and-well-being/accessibility-and-individual-study-arrangements/accessibility-and-individual-study-arrangements-student>

### Types of disabilities you can seek support for

If students have a diagnosed learning difficulty or an illness, disability or other condition that affects their ability to demonstrate and undertake learning, they are eligible for individual study arrangements.

### Applying for academic accommodations

<https://www.tuni.fi/en/students-guide/handbook/uni/support-studying-and-well-being/accessibility-and-individual-study-arrangements/accessibility-and-individual-study-arrangements-student>

## MEDICAL/HEALTH SERVICES

### On-campus medical services in English

No. On-campus medical services does not exist as such in Finland, all services are off-campus.

### Fees for on-campus medical services

N/A.

### On-campus pharmacy

No.

## HOUSING AND FOOD OPTIONS

### Accessible residence options

Yes, but it's not guaranteed. There are various student houses in the city, the accessible ones should be confirmed from the provider (TOAS - Tampere Student Housing Foundation). Tampere University does not have any on-campus accommodation.

<https://www.tuni.fi/en/students-guide/handbook/uni/exchange-studies/pre-arrival-information-exchange-students/student-housing-exchange-students>

### Types of disabilities students can seek supports for

\*

### On-campus food options

Yes, Tampere and Finland are extremely vegan, gluten-free, lactose-free and vegetarian-friendly – there are many options available in our student restaurants and we have fully vegan ones as well.

# University of Helsinki

Helsinki

## DISABILITY SUPPORTS

### National disability supports/legislation

Yes.

### Host school disability policies

\*

### Documentation required to verify illness/disability

Yes.

### Services available to verify illness/disability

No.

## ACADEMIC ACCOMMODATIONS

### Academic accommodations available

Yes. As a part of the exchange process students can inform about their disabilities and they are tried to be concerned in accommodation matters.

### Types of academic accommodations

\*

### Types of disabilities you can seek support for

\*

### Applying for academic accommodations

\*

## MENTAL HEALTH/ COUNSELLING SERVICES

### On-campus counselling services in English

No. We have study psychologist services for students at campuses, but psychiatric services are only available at student health services or at public health services.

### On-campus psychiatric services in English

No.

### Fees for mental health/counselling services

Yes.

## MEDICAL/HEALTH SERVICES

### On-campus medical services in English

No.

### Fees for on-campus medical services

N/A.

### On-campus pharmacy

No.

## ACCESSIBILITY

### Physical accessibility policy

The University of Helsinki strives to enhance its services, facilities and operations so that they will be suitable for all.

### On-campus physical accessibility support (e.g., elevators, ramp, motorized doors etc.)

Some of them are, but not all.

### Virtual tour of campus

Yes.

## HOUSING AND FOOD OPTIONS

### Accessible residence options

Yes, but it's not guaranteed.

### Types of disabilities students can seek supports for

\*

### On-campus food options

Yes.

\*Information not provided. It may be on the school's website.

# University of Technology of Compiègne (UTC)

Compiègne

## DISABILITY SUPPORTS

### National disability supports/legislation

Yes.

### Host school disability policies

Yes.

<https://www.utc.fr/en/utc/life-on-the-utc-campus/the-disabled-students-bureau/>

### Documentation required to verify illness/disability

Yes.

### Services available to verify illness/disability

Yes, the doctor of the Preventive Medicine service, Dr. Alice Hoogendoorn, (qualified CDPAH), is in charge of studying the requests for exam adjustments.

Email: [alice.hoogendoorn@utc.fr](mailto:alice.hoogendoorn@utc.fr)

## ACADEMIC ACCOMMODATIONS

### Academic accommodations available

Yes, the team of the Disabled Students Bureau is fully mobilised to meet the specific educational needs of students with various disabilities.

<https://www.utc.fr/en/utc/life-on-the-utc-campus/the-disabled-students-bureau/>

### Types of academic accommodations

Study adjustments are possible; support can be human, organizational or technical. Examination adjustments are also possible.

<https://www.utc.fr/en/utc/life-on-the-utc-campus/the-disabled-students-bureau/>

### Types of disabilities you can seek support for

Each student with a disability, disabling health problems, specific language and learning problems of the "dys" type, can benefit from personalised support and the implementation of teaching aids adapted to specific needs.

### Applying for academic accommodations

Students should arrange to contact the student disability advisor as soon as they are notified of admission to UTC- Compiègne or, at the latest, at the start of the academic year.

## MENTAL HEALTH/ COUNSELLING SERVICES

### On-campus counselling services in English

Yes, but the services are in French.

### On-campus psychiatric services in English

No.

### Fees for mental health/counselling services

No, they do not need to pay, but the service is in French.

## MEDICAL/HEALTH SERVICES

### On-campus medical services in English

Yes, but the health services are in French.

### Fees for on-campus medical services

\*

### On-campus pharmacy

No.

## ACCESSIBILITY

### Physical accessibility policy

\*

### On-campus physical accessibility support (e.g., elevators, ramp, motorized doors etc.)

Yes, in BOTH academic buildings and student residences.

In the academic buildings there are some features to support physical accessibility (elevators for examples), but all the UTC facilities and classrooms are not necessarily physically accessible for students with disabilities.

### Virtual tour of campus

No.

## HOUSING AND FOOD OPTIONS

### Accessible residence options

There are some residences that are accessible for students with disabilities.

### Types of disabilities students can seek supports for

\*

### On-campus food options

\*

## Singapore

# National University of Singapore

Singapore

### DISABILITY SUPPORTS

#### National disability supports/legislation

Yes.

#### Host school disability policies

No, there aren't policies yet, but the university adopts practices that are supportive of meeting students' need.

#### Documentation required to verify illness/disability

Yes.

#### Services available to verify illness/disability

Yes, the university health service does that if the student has existing documentation from professionals.

### ACADEMIC ACCOMMODATIONS

#### Academic accommodations available

Yes.

<https://nus.edu.sg/osa/student-services/student-accessibility-unit/resources-for-students/>

#### Types of academic accommodations

Yes.

<https://nus.edu.sg/osa/student-services/student-accessibility-unit/resources-for-students/>

#### Types of disabilities you can seek support for

Accommodations are on a needs basis and is not tied to a set of disabilities.

#### Applying for academic accommodations

Students can do so through various avenues. With the Registrar's office when they register as students, approaching the Student Accessibility Unit or visiting the University Health Centre.

### MENTAL HEALTH/ COUNSELLING SERVICES

#### On-campus counselling services in English

Yes.

<https://nus.edu.sg/uhc/mental-health/student/services>

#### On-campus psychiatric services in English

Yes, the university health centre can make referrals if necessary.

<https://fass.nus.edu.sg/psy/clinical-and-health-psychology-centre/>

#### Fees for mental health/counselling services

\*

### MEDICAL/HEALTH SERVICES

#### On-campus medical services in English

Yes.

<https://nus.edu.sg/uhc/>

#### Fees for on-campus medical services

\*

#### On-campus pharmacy

Yes.

<https://nus.edu.sg/uhc/>

### ACCESSIBILITY

#### Physical accessibility policy

Yes, but law does not cover buildings built before a certain date. Some campuses are old and built years back, so while new buildings are accessible, some of the older ones may not be.

#### On-campus physical accessibility support (e.g., elevators, ramp, motorized doors etc.)

Yes, in BOTH academic buildings and student residences.

Only the newer buildings and they are not 100% accessible.

#### Virtual tour of campus

\*

### HOUSING AND FOOD OPTIONS

#### Accessible residence options

Yes, but it's not guaranteed.

#### Types of disabilities students can seek supports for

Mobility and sensory disabilities.

All types of disabilities as long as it is justified.

#### On-campus food options

Yes.

There are a variety of options, and some residences have kitchens where students can cook their own meals.

\*Information not provided. It may be on the school's website.

### On-campus counselling services in English

Yes.

<https://ethz.ch/students/en/advice/studium-und-behinderung.html>

Additional link on wellbeing:

<https://ethz.ch/students/en/advice/studies-and-health.html>

### On-campus psychiatric services in English

Yes.

Psychologic Counseling free of charge:

<https://www.pbs.uzh.ch/en.html>

### Fees for mental health/counselling services

Not at the internal office. However, if longer treatment is necessary treatment must be covered by the obligatory health insurance students have to take out at the beginning of their exchange.

## MEDICAL/HEALTH SERVICES

### On-campus medical services in English

No.

### Fees for on-campus medical services

N/A.

### On-campus pharmacy

No.

## ACCESSIBILITY

### Physical accessibility policy

Yes.

### On-campus physical accessibility support (e.g., elevators, ramp, motorized doors etc.)

Yes, in BOTH academic buildings and student residences.

A student with a high degree on physical disability should definitely early on get in contact with the disability advisory service to find out whether every room is accessible or whether there are any issues to compose a study plan out of the whole range of the course catalogue.

### Virtual tour of campus

Yes.

<https://ethz.ch/en/the-eth-zurich/portrait/eth-zurich-virtual-tour.html>

## HOUSING AND FOOD OPTIONS

### Accessible residence options

Yes, but it's not guaranteed.

<https://www.woko.ch/en/liegenschaften>

### Types of disabilities students can seek supports for

While there are a few rooms that are accessible for Wheel Chairs it is definitely not an easy endeavour given that ETH Zurich has basically no Campus Structure and public transport is often the only choice to get back and forth, as written in another field, it is feasible but before nominating a student dependent on a wheel chair it is definitely better to contact us first (around 6 months before when you make your nomination) so we can look into the matter and see whether the housing office has a suitable room available.

### On-campus food options

# King's College London

London, England

## DISABILITY SUPPORTS

### National disability supports/legislation

Yes.

### Host school disability policies

Yes.

### Documentation required to verify illness/disability

Yes.

### Services available to verify illness/disability

No.

## ACADEMIC ACCOMMODATIONS

### Academic accommodations available

Yes.

<https://www.kcl.ac.uk/disability/what-we-offer/support-for-learning>

<https://www.kcl.ac.uk/disability/what-we-offer/examinations>

### Types of academic accommodations

Yes.

<https://www.kcl.ac.uk/disability/what-we-offer/examinations>

### Types of disabilities you can seek support for

We class a "disability" as a physical or mental impairment which is having a substantial, adverse and long term (12 months+) effect on their ability to perform normal day to day activities.

### Applying for academic accommodations

They should visit the Disability webpages and contact the team as soon as they have received an offer from us, to ensure their needs are met (we do tell them about this in their welcome emails):

[disability@kcl.ac.uk](mailto:disability@kcl.ac.uk)

## MENTAL HEALTH/ COUNSELLING SERVICES

### On-campus counselling services in English

Yes.

<https://www.kcl.ac.uk/counselling>

Counselling services have a very long waiting list, so it is unlikely that semester students will receive an appointment during their time at King's unfortunately.

### On-campus psychiatric services in English

No.

### Fees for mental health/counselling services

No.

## MEDICAL/HEALTH SERVICES

### On-campus medical services in English

Yes.

<https://www.kclnhshealthcentre.com/>

### Fees for on-campus medical services

No.

Students on a Visitor Visa receive free emergency or initial GP care (not referrals to specialist) but fees may apply for further treatment.

### On-campus pharmacy

No.

## ACCESSIBILITY

### Physical accessibility policy

Yes.

### On-campus physical accessibility support (e.g., elevators, ramp, motorized doors etc.)

Yes, in BOTH academic buildings and student residences.

Students with physical access needs must contact the Disabilities team who can then liaise with Timetabling and academic departments to ensure that students are enrolled in seminars in accessible rooms.

### Virtual tour of campus

Yes, scroll to the bottom of the page:

<https://www.kcl.ac.uk/study/campus-tours>

## HOUSING AND FOOD OPTIONS

### Accessible residence options

Yes, but it's not guaranteed.

<https://www.kcl.ac.uk/accommodation>

### Types of disabilities students can seek supports for

Students should liaise with King's Residences to discuss their specific needs - accommodation is not handled by Global Mobility Office.

Email: [kingsresidences@kcl.ac.uk](mailto:kingsresidences@kcl.ac.uk)

### On-campus food options

Yes.

<https://www.swansea.ac.uk/inclusivestudentsupport/>

### Types of disabilities you can seek support for

<https://www.swansea.ac.uk/inclusivestudentsupport/>

### Applying for academic accommodations

Students are asked about any additional needs/disabilities they have as part of the application process.

## MENTAL HEALTH/ COUNSELLING SERVICES

### On-campus counselling services in English

Yes.

<https://www.swansea.ac.uk/campuslife/welfare/>

### On-campus psychiatric services in English

No.

### Fees for mental health/counselling services

No.

## MEDICAL/HEALTH SERVICES

### On-campus medical services in English

Yes, there is a GP (doctor) service on campus which full year exchange students can register for. Semester only students can't register but can pay to see a GP at a local practice.

### Fees for on-campus medical services

Yes, only semester students. Full year students entering on a student visa pay the immigration health surcharge as part of the visa process and receive free medical treatment

### On-campus pharmacy

No.

## ACCESSIBILITY

### Physical accessibility policy

Yes.

### On-campus physical accessibility support (e.g., elevators, ramp, motorized doors etc.)

Yes, in BOTH academic buildings and student residences.

### Virtual tour of campus

Yes.

<https://www.swansea.ac.uk/virtual-tour-stand-alone/>

## HOUSING AND FOOD OPTIONS

### Accessible residence options

Yes, but it's not guaranteed.

### Types of disabilities students can seek supports for

\*

### On-campus food options

Yes.

\*Information not provided. It may be on the school's website.

# University of Bristol

Bristol, England

## DISABILITY SUPPORTS

### National disability supports/legislation

Yes.

### Host school disability policies

Yes.

The University of Bristol's 'University Policy on Supporting Disabled Students', which is part of our Regulations and Code of Practice for Taught Programmes: <https://www.bristol.ac.uk/media-library/sites/academic-quality/documents/taught-code/annexes/supporting-disabled-students.pdf>

### Documentation required to verify illness/disability

Yes.

### Services available to verify illness/disability

Please see our Disability Services' main page on 'Getting a diagnosis':

<https://www.bristol.ac.uk/disability-services/students/diagnosis/>

Please note that the type of medical care available to international students is dependent on the visa they are studying under whilst in the UK.

## MENTAL HEALTH/ COUNSELLING SERVICES

### On-campus counselling services in English

Yes.

<https://www.bristol.ac.uk/students/support/wellbeing/request-support/services/counselling/counselling-session/>

### On-campus psychiatric services in English

No. Please note that psychiatric services are normally provided by the National Health Service in the UK, and not Universities. The University of Bristol has a Students' Health Service on campus, which is an NHS service for our students.

### Fees for mental health/counselling services

The University of Bristol's counselling service - and our whole Wellbeing service - is free of charge to all students. However, separate treatment under the NHS may incur charges dependent on the type of visa an international student is studying under (as some visas do not include NHS coverage).

## ACCESSIBILITY

### Physical accessibility policy

Yes.

### On-campus physical accessibility support (e.g., elevators, ramp, motorized doors etc.)

Yes, in BOTH academic buildings and student residences.

The University includes many protected historical buildings which we may not be allowed to modify. For more information please see:

<https://www.accessible.co.uk/organisations/university-of-bristol>

### Virtual tour of campus

Yes.

<http://www.bristol.ac.uk/study/virtual-bristol/>

## ACADEMIC ACCOMMODATIONS

### Academic accommodations available

Yes.

<https://www.bristol.ac.uk/disability-services/study-support/reasonable-adjustments/>

### Types of academic accommodations

Students can receive a 'Study Support Plan (SSP)' which outlines the adjustments they require. Further information on SSPs can be found here:

<https://www.bristol.ac.uk/disability-services/ssp/>

### Types of disabilities you can seek support for

The University of Bristol supports students with a range of disabilities, learning difficulties, and other health and mental health conditions.

<https://www.bristol.ac.uk/disability-services/students/>

### Applying for academic accommodations

We encourage Study Abroad students to declare their disability on their application form, so the Disability Coordinator can get in touch with them at an early stage. Alternatively, students can contact the Disability Coordinator once they have arrived in Bristol. Email: [global-opportunities@bristol.ac.uk](mailto:global-opportunities@bristol.ac.uk)

## MEDICAL/HEALTH SERVICES

### On-campus medical services in English

Yes.

<http://www.bristol.ac.uk/students-health/>

### Fees for on-campus medical services

This is dependent on the type of visa an international student is studying under whilst in the UK (as some do not include NHS coverage).

### On-campus pharmacy

No, however, there are several pharmacies around 5-10mins walk from campus.

## HOUSING AND FOOD OPTIONS

### Accessible residence options

Yes, but it's not guaranteed.

<https://www.bristol.ac.uk/disability-services/accommodation/>

### Types of disabilities students can seek supports for

<https://www.bristol.ac.uk/accommodation/apply/your-accommodation-needs/>

### On-campus food options

Yes.

<https://www.bristol.ac.uk/accommodation/apply/your-accommodation-needs/>

# University of Dundee

Dundee, Scotland

## DISABILITY SUPPORTS

### National disability supports/legislation

Yes.

### Host school disability policies

Yes.

<https://www.dundee.ac.uk/corporate-information/equality-and-diversity-policy>

<https://www.dundee.ac.uk/corporate-information/equality-outcomes-plan-2021-2025>

### Documentation required to verify illness/disability

No.

### Services available to verify illness/disability

\*

## MENTAL HEALTH/ COUNSELLING SERVICES

### On-campus counselling services in English

Yes. Students can access up to 6 counselling sessions in each academic year.

<https://www.dundee.ac.uk/counselling>

### On-campus psychiatric services in English

Yes. Students can self-refer to the University's mental health nursing team, but they should also register with a local GP to access psychiatric services through the NHS if this is possible during their exchange visit.

<https://www.dundee.ac.uk/guides/getting-support-mental-health-nursing-team>

### Fees for mental health/counselling services

All matriculated students at Dundee University can access all support services free of charge.

## ACCESSIBILITY

### Physical accessibility policy

Yes.

### On-campus physical accessibility support (e.g., elevators, ramp, motorized doors etc.)

Yes, in BOTH academic buildings and student residences.

Full details of the accessibility of the University's buildings are available from:

<https://www.accessible.co.uk/university-of-dundee>

### Virtual tour of campus

Yes.

<https://www.dundee.ac.uk/virtual-tour/>

\*Information not provided. It may be on the school's website.

## ACADEMIC ACCOMMODATIONS

### Academic accommodations available

Yes.

<https://www.dundee.ac.uk/disability-services>

### Types of academic accommodations

Students should contact Disability Services to arrange a needs assessment and discuss possible support options, including for exams.

Students are assessed for their individual disability-related needs so support arrangements will vary depending on their needs and the programme of study

<https://www.dundee.ac.uk/disability-services/services/students>

### Types of disabilities you can seek support for

All disabilities that impact on their studies.

### Applying for academic accommodations

Students should contact Disability Services for a confidential meeting to discuss and arrange a support plan. Where this includes adjustments to teaching and assessment, these are shared with the student's Academic School with the student's consent.

## MEDICAL/HEALTH SERVICES

### On-campus medical services in English

Yes. Medical services are available through the University's Health Service, but students should also register with a local GP to access services through the NHS.

<https://www.dundee.ac.uk/health-service>

### Fees for on-campus medical services

No.

### On-campus pharmacy

No.

## HOUSING AND FOOD OPTIONS

### Accessible residence options

Yes, but it's not guaranteed. Accessible accommodation is available at the University's city campus, but demand can be high, so availability is not guaranteed.

<https://www.dundee.ac.uk/accommodation/flats>

### Types of disabilities students can seek supports for

All disabilities. Students should contact Disability Services in the first instance and as soon as possible once they know they will be coming to Dundee University.

### On-campus food options

Yes, there is a range of food options available on campus:

<https://www.dundee.ac.uk/hospitality-services/topofthetowercafe/>

<https://www.dusa.co.uk/eat-drink>

# University of Leeds

Leeds, England

## DISABILITY SUPPORTS

### National disability supports/legislation

Yes.

### Host school disability policies

Yes.

### Types of disabilities you can seek support for

Any disability which meets the Equality Act definition of disability i.e., something which has a significant impact on daily life (and studies), and which has lasted, or is likely to last, 12 months or more.

### Applying for academic accommodations

They should tick the box on the form provided by the Study Abroad Office and then register with Disability Services and provide evidence. All instructions are here:

[https://students.leeds.ac.uk/info/1000070/setting\\_up\\_your\\_support/1065/setting\\_up\\_your\\_support](https://students.leeds.ac.uk/info/1000070/setting_up_your_support/1065/setting_up_your_support)

## MEDICAL/HEALTH SERVICES

### On-campus medical services in English

Not on campus, but closely associated with the University:

<https://www.leedsstudentmedicalpractice.co.uk/>

### Fees for on-campus medical services

There may be a charge for accessing the National Health Service. Information here:

<https://www.leedsstudentmedicalpractice.co.uk/international-students/>

### On-campus pharmacy

No.

## HOUSING AND FOOD OPTIONS

### Accessible residence options

Yes, but it's not guaranteed. We always aim to ensure exchange students have access to accessible accommodation, but it will depend on the availability of accommodation which meets requirements. Students should contact the Accommodation Office as soon as possible to discuss this further.

[https://accommodation.leeds.ac.uk/info/71/additional\\_requirements/10/adapted\\_accommodation](https://accommodation.leeds.ac.uk/info/71/additional_requirements/10/adapted_accommodation)

### Types of disabilities students can seek supports for

Any disability.

### On-campus food options

Yes.

[https://accommodation.leeds.ac.uk/info/71/additional\\_requirements/1/special\\_requirements](https://accommodation.leeds.ac.uk/info/71/additional_requirements/1/special_requirements)

<https://gfal.leeds.ac.uk/dietary-requirements/>

# University of Sheffield

Sheffield, England

## DISABILITY SUPPORTS

### National disability supports/legislation

Yes.

### Host school disability policies

Yes.

<https://cc.sheffield.ac.uk/hr/disability/disability-equality-strategy-and-action-plan/>

### Documentation required to verify illness/disability

Yes.

### Services available to verify illness/disability

Yes.

<https://www.sheffield.ac.uk/new-students/disability/apply-disability-support>

## MENTAL HEALTH/ COUNSELLING SERVICES

### On-campus counselling services in English

Yes.

<https://www.sheffield.ac.uk/health-service/conditions/mental-health>

Some links are internal only but are available to current staff and students.

### On-campus psychiatric services in English

Psychiatric services are provided locally by the NHS. Mental health reviews (including for long term condition management) are offered through the University Health Service:

<https://www.sheffield.ac.uk/health-service/services/clinics>

### Fees for mental health/counselling services

You may have to pay for other community services and for further hospital treatment, depending on the type of treatment required and your immigration status.

## ACCESSIBILITY

### Physical accessibility policy

Yes.

### On-campus physical accessibility support (e.g., elevators, ramp, motorized doors etc.)

Yes, in BOTH academic buildings and student residences.

### Virtual tour of campus

Yes.

<https://www.sheffield.ac.uk/visit-us/take-virtual-tour>

## ACADEMIC ACCOMMODATIONS

### Academic accommodations available

Yes.

<https://www.sheffield.ac.uk/new-students/disability/what-support-available#examples>

### Types of academic accommodations

Yes.

<https://www.sheffield.ac.uk/new-students/disability/what-support-available#examples>

### Types of disabilities you can seek support for

If you have an impairment or condition and you're not sure if support is available to you, please get in touch with us to discuss this further.

<https://www.sheffield.ac.uk/new-students/disability/who-we-support>

### Applying for academic accommodations

You can do this on your university application form.

If you have an impairment/condition but have not indicated this on your application, you can tell us by emailing us directly at [disability.info@sheffield.ac.uk](mailto:disability.info@sheffield.ac.uk)

<https://www.sheffield.ac.uk/new-students/disability/apply-disability-support>

## MEDICAL/HEALTH SERVICES

### On-campus medical services in English

Yes.

<https://www.sheffield.ac.uk/health-service>

### Fees for on-campus medical services

This depends on the care they are accessing and their visa. If you're studying for more than 6 months as of 6 April 2015, you are required to pay the Immigration Health Surcharge as part of your visa application fee. This will enable you to access NHS services in the UK in the same way as a resident.

<https://www.sheffield.ac.uk/health-service/about/international-students>

### On-campus pharmacy

No, but the UHS can send prescriptions electronically to your pharmacy of choice in England, this is called your nominated pharmacy.

## HOUSING AND FOOD OPTIONS

### Accessible residence options

Yes, but it's not guaranteed.

If you have disability-related accommodation requirements, please mention these in your accommodation application form so they can be taken into account when rooms are allocated. We have several adapted rooms, and we are always happy to take into account any medical needs or special requirements.

Email: [accommodationoffice@sheffield.ac.uk](mailto:accommodationoffice@sheffield.ac.uk)

### Types of disabilities students can seek supports for

No list has been provided.

### On-campus food options

Yes, food is sold through various outlets around campus (we do not have meal plans).

<https://su.sheffield.ac.uk/eat-drink-shop>

# University of Sussex

Sussex, England

## DISABILITY SUPPORTS
